MEMORANDUM FOR PLATFORMS AND INTEGRATION
 OPERATIONS TEAM (NNA)

SUBJECT: Employee Work Assignments

The attachment identifies operational assignments that represent your primary job responsibilities as a member of the Platforms and Integration Operations Team. The assignments are intended to meet current and future mission challenges of the office, DCMC, and the DoD.

Effective mission accomplishment requires a team effort. It is essential that our team continue to provide the technical expertise and industrial assessment support necessary to ensure optimum DoD acquisitions (i.e., smart buys). This includes:

- A. Providing process expertise and policy implementation.
- B. Furnishing technical industrial base assistance/support on critical issues that reflect DoD corporate priorities.
- C. Maintaining accurate business records and integrating best practices.
- D. IAW DCMC Information Memorandum No. 00-82, coordinate quick reaction support from the DCMC field network as required.
- E. Performing a variety of management support functions.

Thank you for your continued dedication and support.

Signed

Christopher F. Hayer, Lt Col, USAF
Chief, Platforms & Integration Team
